# What Our Clients Say About Us |

*In my 15 year career Karasch has gone above and beyond whether it is finding a location or a reporter for an out of area deposition or a last minute local video deposition. When accuracy, speed, and value count, I trust Karasch to meet and surpass my needs.*

**Suzie, Paralegal**

*I've had the pleasure of working with Karasch and Associates since the 1980s. Karasch's service to attorneys is beyond compare. I had a series of seven depositions tied into a "short court window" pursuant to emergency civil receiver petitions. Karasch provided reporters on short notice and turned around the transcripts (which were complex) in record time. Karasch gets my recommendation!*

**Art, Attorney/Firm Owner**

**Visit our website to watch video testimonials.**

*I am pleased to endorse the Karasch Team! I have worked with their professionals for years. Karasch is the gold standard. I would recommend Karasch Court Reporting to any trial lawyer.*

**Stephen, Senior Litigation Attorney**
