WHAT OUR CLIENTS SAY ABOUT US

“

In my 15 year career KARASCH has gone above and beyond whether it is finding a location or a reporter for an out of area deposition or a last minute local video deposition. When accuracy, speed and value count, I trust KARASCH to meet and surpass my needs.

Suzie, Paralegal

“

I've had the pleasure of working with KARASCH and Associates since the 1980s. KARASCH's service to attorneys is beyond compare. I had a series of seven depositions tied into a "short court window" pursuant to emergency civil receiver petitions. KARASCH provided reporters on short notice and turned around the transcripts (which were complex) in record time. KARASCH gets my recommendation!

Art, Attorney/Firm Owner

“

I am pleased to endorse the KARASCH Team! I have worked with their professionals for years. KARASCH is the gold standard. I would recommend KARASCH Court Reporting to any trial lawyer.
